¹ Room capacities are shown for guidance purposes only. The maximum allowable capacity for each room is the standing capacity (i.e. fire regulations); however, the nature of the event (e.g. standing reception or sit down meal) and the tables used (i.e. round or long trestle style) will determine real or practical capacities. Please discuss your requirements with our Events Coordinator.

² Numbers shown are standing capacity and seated (theatre style) capacity.

³ Numbers shown are for round tables (8 per table) and long tables (10 per table).

All prices include VAT where appropriate.
